1. Ripassare dei dubbi grammaticali con Grammar File
2. Completare almeno 5 pagine nel libro Life Workbook
3. Scegliere, leggere e riassumere 3 libri di questo elenco di 5:
 - i- **Madame Doubfire** by Anne Fine is a wonderfully funny, punchy story about family life. Lydia, Christopher and Natalie are used to domestic turmoil. Their parents' divorce has not made family life any easier in either home. The children bounce to and from their volatile mother, Miranda, and their out-of-work actor father, Daniel. Then Miranda advertises for a cleaning lady who will look mind the children after work - and Daniel gets the job...
 - ii- **Animal Farm** by George Orwell is the story of Mr Jones of Manor Farm, a lazy and drunken that one day forgets to feed his livestock. The following rebellion under the leadership of the pigs Napoleon and Snowball leads to the animals taking over the farm. Vowing to eliminate the terrible inequities of the farmyard, the renamed Animal Farm is organised to benefit all who walk on four legs. But as time passes, the ideals of the rebellion are corrupted, then forgotten. And something new and unexpected emerges...
 - iii- **The Eagle of the Ninth** by Rosemary Sutcliff. The Ninth Legion marched into the mists of northern Britain - and they were never seen again. Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return
 - iv- **The Life of Elisabeth I** by Alison Weir. Perhaps the most influential sovereign England has ever known, Queen Elizabeth I remained an extremely private person throughout her reign, keeping her own counsel and sharing secrets with no one—not even her closest, most trusted advisers. Now, in this brilliantly researched, fascinating new book, acclaimed biographer Alison Weir shares provocative new interpretations and fresh insights on this enigmatic figure. Against a lavish backdrop of pageantry and passion, intrigue and war, Weir dispels the myths surrounding Elizabeth I and examines the contradictions of her character. Elizabeth I loved the Earl of Leicester, but did she conspire to murder his wife? She called herself the Virgin Queen, but how chaste was she through dozens of liaisons? She never married—was her choice to remain single tied to the chilling fate of her mother, Anne Boleyn? An enthralling epic that is also an amazingly intimate portrait, *The Life of Elizabeth I* is a mesmerizing, stunning reading experience.
 - v- **The Little Prince** by Antoine de Saint-Exupery
